Info

Any finish may be selected for Gas fireplaces. For Wood fireplaces, we recommend Hearth Black (Rated for 1200 degrees). Or you may select any finish for the front face of the fire screen and Hearth Black for the back of the fire screen, facing the hearth. There is no additional charge when selecting from the (A) finish group.

Mesh screen will come in a complementary solid color.

Ironware products are hand forged, and as a result, dimensions may vary.

Customization available.
