

IRONWARE

Above: A breezeway leading to the master bedroom is separated from other rooms by a bronze and glass door. The chandelier is custom by Ironware. Opposite, clockwise from top: In the master bedroom, Del Piero's custom bed is upholstered in a Jim Thompson fabric, while the bedding is a combination of fabrics from Osborne & Little, Stroheim, Romo, and de Le Cuona. The bedside chests feature a shagreen from Edelman Leather. In her bath, a Cheviot freestanding tub uses Waterworks' fixtures. The bedroom's sculptural fireplace is a Michael Del Piero design.
